Please review the attached document.

Dear Team:

Since the Bid Waiver signatures are in process - I am sending this around for the final look-see. Everyone provided initial comments and I have discussed the payment structure with Val. The attached reflects how she wants to be invoiced for the work. They need to start this on **Friday May 7th** so if I can get your quick okay - it would be greatly appreciated.

Let me know if we need to have any other discussions.

Bristow
